Hungarian Borders.

LONDON, July 24.—Prom Petrograd comes the report through a Reuter despatch that the Germans have been driven back twelve miles at one point on the Riga front. Progress for the Russians is claimed on a front running from the Gulf of Riga to Uxkull, a distance of more than thirty miles, the greatest advance being made along the coast line.

The despatch says that fighting went on without pause for four days prior to Sunday. It has now halted, as the Russians require time to consolidate the ground they have gained and the Germans are waiting for resinforcements being brought from other rescions of the sustains were completely repulsed."
